

Week: April 6 – April 10, 2020 Home Activity In-kind Report

Linking home to school...YOU are the primary teacher of your child. These LINKS activities are an extension of the curriculum used in your child's Head Start classroom. Adjust the activity to meet the individual needs of your child.

S
K
N
L

Literacy
Read a favorite story together.
"Extend the Learning".
(see back)

19B _____
Initials

Science
Fill the sink or bath tub with water. Give your child some cups and bowls and let them explore with pouring, more/less, empty/full.

24 _____
Initials

Arts
Paint with cooked spaghetti. Dip spaghetti in the paint or pudding and drag around the paper for neat designs.

33 _____
Initials

Nutrition
Make "Frozen Yogurt Pops".
(see back)

22A _____
Initials

Social Studies
Make a menu for the week.
Draw pictures or cut pictures from grocery ads to help your child read it.

29 _____
Initials

Physical
Make a "Ring Toss Game".
(see back)

6 _____
Initials

Social Emotional
Go around the table at dinner and tell one good thing that happened this week.

3A _____
Initials

Language
Make up silly sentences using the first letter of your name (Beth bakes banana bagels for breakfast).

15B _____
Initials

Small Motor
Do a puzzle together.
Count the pieces before you start.

7A _____
Initials

Literacy
Sing "One Little Duckling".
(see back)

15A _____
Initials

Math
Go for a walk outdoors and look for numbers.
How many can you find?

20C _____
Initials

Science
Poke some holes in the lid of a jar. Go outside and look for bugs. Put them in the jar, watch them, and let them go.

25 _____
Initials

Math
Write numbers 1-10 on index cards or paper. Your child must count items and place the correct amount on each card.

20C _____
Initials

Arts
Make a flower from a cupcake holder. Glue the flat bottom to paper. Draw a stem and leaves.

33 _____
Initials

Literacy
Make letters and shapes with toothpicks or Q-tips.

7B _____
Initials

Physical
Bend and touch your toes 10 times. Jump up and down 10 times. Do 10 jumping jacks.

5 _____
Initials

**** LINKS CAN BE TURNED IN ANY TIME DURING THE SCHOOL YEAR****

Weekly Parent Tip: Everyday Math

Tips for encouraging mathematical development in your preschooler:

- Ask your child to count to 15 (slowly!) while he washes his hands.
- Ask your child to give you a certain number of something (“Please give me 3 spoons”).
- Read books or sing songs with numbers in them.
- Count stairs or the number of steps it takes to get from one place to another.
- Count everything during daily routines—laundry, setting the table, how many cars you see, etc.
- Sorting, patterns, numbers and counting are all mathematical concepts your child can practice every day.

Extend The Learning

- Read your child’s favorite book.
- Give him/her paper and crayons and have him/her draw their own pictures to tell the story.
- If he/she needs help remembering the story, ask questions or give clues as to what happened.
- Don’t worry about whether or not the pictures are easy to identify, as long as your child knows what they are, that is all that is important!

One Little Duckling

One little duckling, yellow and new.
(hold up one finger)
Had a fuzzy brother and that made two.
(hold up two fingers)
Two little ducklings now you can see,
They had a sister and that made three.
(hold up three fingers)
Four little ducklings went to swim and dive.
(hold up four fingers)
They met a neighbor and that made five.
(hold up five fingers)
Five little ducklings, watch them grow.
They’ll turn into fine big ducks, you know!

Ring Toss Game

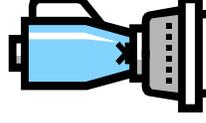

- You will need an empty paper towel tube, a margarine tub, and several plastic lids from old containers (cool whip, butter bowls, etc.).
- Cut a hole in the margarine tub the size of the end of the tube and stick the tube through.
- Cut the middles out of the lids to make rings and use these to toss over the tube.

Frozen Yogurt Pops

Ingredients:

- 1 cup frozen strawberries
- 1 cup plain yogurt
- 5 teaspoons honey
- 3 1/2 oz. cups (7 of them)
- 7 popsicle sticks

Put the strawberries in a blender and blend until smooth. Pour into a bowl and stir in yogurt and honey. Fill cups two-thirds full and put them in the freezer for about 20 minutes. Take them out of the freezer and put popsicle sticks in the center of each cup. Freeze 1-2 hours. Remove from cups and enjoy!
